- b. Players must wear league provided uniforms and equipment during the games. Personal equipment may be used if they are deemed by the umpire to be of equivalent quality as the equipment provided by the league.
- c. Helmets: Batters and base runners must have a helmet on from the time they leave the dugout until they return. Helmets are required to have full-face guard and chinstrap. Open face or C-flap helmets are prohibited. A player removing a helmet on the playing field will receive one warning. The second time the player will be called out.
- d. Protective Cup: Catchers are required to wear a protective cup.

2. Coaches Conduct:

- a. All coaches shall be familiar with and abide by the **NYBSA Coaches Code of Conduct**.
- b. Player Interaction: The goal of recreational baseball is that the kids have fun and become better baseball players. Coaches shall not openly criticize a player for making a mistake and encourage players to do better next time.
- c. Disputed Calls: There will be NO arguing with umpires. If you disagree with a call, calmly discuss it with the umpire in private. Whatever the umpire decides is final. Ball and strike calls are not open to discussion. Share this rule with your parents, as you will be held responsible for your parent's actions. Managers and coaches shall also be always respectful to one another.

3. Player Conduct:

- a. Batters will not be allowed to try and distract the pitcher while pitching. Catchers will not be allowed to try and distract batters while batting.
- b. Players are encouraged to cheer for their team in the dugout, but not jeer the opposing team. Dugouts will also not be allowed to distract the pitcher while pitching.
- c. Trash taking between players will NOT be tolerated at any time prior, during, or after games.

4. Player Participation: *Violation of the below rules shall be reported to the league commissioner.*

- a. Batting will be in rotation of the complete roster regardless of the number of players present on the opposing team.
- b. Ten players are allowed in the field for defense, with remaining players on the bench.
 - i. No player should sit out of the game on defense for more than one inning unless everyone has sat at least once.
 - ii. Every player on the roster shall play a minimum of 1 inning in the infield per game.
- c. If a player does not start defensively for one game, in which he plays; he must start for the next game.

- b. Bases set at 50 ft

6. Pre-Game Activities:

- a. Home Team (First Base Dugout):
 - i. The home team has the league batting cage reserved from 60 minutes before the published game time until 31 minutes before the published game time.

- b. Visitor Team (Third Base Dugout):

7. Game Time:

- a. Games will start on time. The official start time of each game will be based on the league schedule published to both coaches and umpires by the league commissioner. It is up to the teams to be ready to play at the game start time. There will be a 15-minute grace period allowed if enough players have not arrived to meet the minimum requirements to field a team. An additional exception to this rule would be that the umpires are not ready to begin. For the second and subsequent games, the umpire shall declare the start time of the next game at approximately 10-15 minutes from the end of the previous game. It is up to the teams to be ready to play at their scheduled times, so subsequent games also start on time.
- b. Clock: **The scoreboard shall be set to 1 hour and 15 minutes** prior to the start of the game and the game clock start upon indication of the umpire. **No new inning shall start once time has expired.** A new inning is considered started at the moment the last out is made in the preceding inning. A new inning is also considered started at the moment the run limit has been met at the bottom of the preceding inning. **Mangers shall not purposely and overtly delay play in any way to win the game.**
- c. Game completion:
 - i. A new inning will not be started after time has expired.
 - ii. Games will be considered completed after 5 innings (4½ if the home team is leading).
 - iii. If the game is tied after the completion of the time limit, the game shall be considered complete, and the teams tied.

- a. Less than 9 Players: If a team fails to field nine players at game time, they may play with eight players. The ninth player's space must take an out ***the first time*** through the batting order. The manager of the team with eight players has the option to take the out at any point in the batting order. The manager must tell the umpire and the opposing manager where the out will be taken before the game begins. ***The opposing manager may waive the enforcement of this rule; however, the rule enforcement decision must be decided and communicated by both managers and umpires prior to the start of the game.***

 2. If the pitcher has control of the ball on the mound, the umpire shall call time. If a runner is advancing to the next base when the umpire calls time, that base will be awarded to the runner (as determined by the umpire).
 3. Once the play is dead, runners must remain on the base until the ball is put into play again. There is no leading off or stealing bases in this league.
 4. If the ball is thrown over the fence or in the dugout, the runners may advance a single base.
 5. The infield fly rule does not apply to this league.
 6. ***A runner must slide feet first into all bases unless the runner is returning to***

the base. Failure to do so will result in the runner being called out.

7. Runners must slide at home when there is a play at the plate. If there is a play at the plate and the runner does not attempt to slide or avoid a collision with the fielder (within reasonable distance to the baseline), he will be called out.  - c. If a batted ball hits the coach outside of the pitching mound, the batter will be called out.
4. The player pitcher must play within 6 feet of the rubber, behind/beside the coach pitcher.

iii. Player Pitching:

1. Once a player pitcher is replaced with another player pitcher, the replaced player pitcher may not pitch for the remainder of the game (players can return to play the position during coach pitch).
2. There are no walks during player pitching. After "Ball 4" is called, a coach from the batting team will be allowed to throw two pitches. If the ball is not put in play from the two pitches, the batter will be called out (foul balls will extend the second pitch).

 - ii. Once a batter squares to bunt, the batter ***MUST either bunt or take the pitch***. The batter may NOT swing at the ball once a bunt attempt is shown. If a batter swings at a pitch after squaring to bunt, the batter will be called out.
 - iii. Fouling off a bunt with two strikes is a strike-out.

- f. Fielding:
 - i. Outfielders must start with both feet in the grass when the ball is pitched. With exception of some plays at second base (umpires discretion), outfielders must throw the ball back into the infield.
 - ii. "Infield In" is allowed; however, due to safety concerns, they must be behind the pitching rubber.
